Seeding:

The seeding will be set up by the World, European and Swedish rankings and in co-operation with the Finnish Table Tennis Association.

The qualification will be played in groups (Players not playing will act as umpires in the group plays). **Two players of each group will continue in Knock-out stage. Players can participate in one class/start.** Both boys/men and girls/women can play also rating categories. The games will be played in best out of five set system into eleven (11) points except the final of Men's single GP, which will be played in best out of seven set system. Each category will be played when there are at least four players. The best players can be directly qualified to the final knock-out stage in Men's single GP.

Ball: White Stiga Perform 40+ *** plastic ball.

Prizes:

The winner in Men's single GP on will get **300 € and 2nd 100 €**. The winner In Women's single GP will get **80 €**. In all other categories, there will be nice goods as prizes for players who play in semifinals.
