TO: XX North European Veteran Table Tennis Championships registered participants

CC: NETU Member Associations

Dear friends,

The world is going crazy – it seems there is almost no other topic: Corona has us firmly in its grip. The combined forces of media, economic paralysis, and politicians under pressure all but ensure that ever more uncertainty is spreading. Nobody seems to have control over COVID-19 and its further development – meetings with more than 10 attendees are being canceled, trade shows and other events fall victim to the virus one after the other, and entire companies are being quarantined or employees sent to work from their home offices as a precaution. Both the loss of control and the associated uncertainty about what the future will look like is hard to bear for many people.

This has already led to decisions to suspend all ITTF events and activities until the end of April 2020.

In view of the pandemic in Latvia, all sports events and activities suspended until April 14, 2020, but we need to react earlier.

In order to best preserve the health and safety of players, officials and fans, **the XX North European Veteran Table Tennis Championships have been postponed.**

Of course, we are closely monitoring the situation and we hope and wish to find new dates for XX North European Veteran Table Tennis Championships later in the year if the situation gets back to normal. The new event date will be announced ASAP.

The decision was made with the health and safety of players, officials and fans as the top priority, whilst keeping the window open to host the event later in the year.

Please kindly follow the TTF of Latvia official Website: www.lgtf.lv and of course TTF of Latvia will keep you informed through the e-mail as well.

For any queries regarding refunds and for further information, please contact: latgtf@latnet.lv.

On behalf of TTF of Latvia and with kind regards,

Ina Jozepsons,
President of Table Tennis Federation of Latvia
